

### WNKLBA Event & Course Guidance – Coronavirus (Covid-19)

Following the latest advice from the Government and an emergency Education Team meeting on 16<sup>th</sup> March please note that:

**All WNKLBA events are cancelled for the foreseeable future. We will monitor the situation and if possible, reinstate events should Government guidelines suggest it is safe to do so.**

Those on the Beginners' Course and Improvers' Course please take special note and do not turn up this weekend for your course.

The course leaders for the Beginners' Course and Improvers' Course will contact all participants over the next couple of days so please bear with us.

The Sales Team are working out a procedure / protocol to enable sale of jars and syrup etc. to still take place to members. No date for the first sale day has been fixed as yet but will be shared with members in due course.

We apologise **profusely** to every member for the trouble caused, especially those on the Beginners' Course who were understandably excited about taking the first steps to becoming a beekeeper. I'm sure you can understand that in these worrying times we have to take painful decisions where the safety of our members is concerned.

Many thanks for your continued support.
